MEET JOHN STEPHENSON

John Stephenson is an ordained minister, speaker, author, pastor-teacher, and leadership strategist with more than 32 years of experience communicating in churches, conferences, leadership environments, community gatherings, and media.

For more than two decades, John served in senior church leadership, including service as Executive Administrator and Assistant Pastor at Victory Christian Church International. His ministry combines biblical truth, practical wisdom, leadership development, humor, and real-life application.

John is married to Karen Stephenson, his wife of more than 30 years. Together they are the proud parents of five children and six “grandkisses.”

His heart is to help people see with eyes of faith, discover and restore vision, strengthen relationships, develop healthy leaders, and apply the Word of God in ways that produce meaningful change.

MINISTRY HEART & ENGAGEMENT APPROACH

John approaches every church engagement as an opportunity to serve the vision of the house. He works to understand the audience, the pastor or ministry leader's desired outcome, and the spiritual or practical need of the moment so the message is both biblically grounded and relevant.

FAITH	LEADERSHIP	RELATIONSHIPS
Helping believers understand how faith comes, works, speaks, and acts.	Equipping pastors, leaders, staff, and volunteers to lead and serve with excellence.	Strengthening communication, unity, marriage, family, and healthy conflict resolution.
VISION	SERVANTHOOD	PRACTICAL GROWTH
Helping people restore dreams, clarify purpose, and move from vision to action.	Developing a culture of service rooted in love, ownership, willingness, and excellence.	Turning biblical principles into practical strategies for everyday life and ministry.
